

MixBasic for Capture One

This is a light version of our complete Mixology collection. The styles can be installed directly into Capture One by loading the .costylepack. Simply double click the pack or drag it into capture one and the presets will install into the adjustments panel.

- **Watch video and get the complete pack at:** <http://seimeffects.com/mix>

These styles have been optimized for Capture One Pro 11 or higher.

Getting Help:

Visit www.seimeffects.com/help for solutions to common problems. If you need further assistance don't hesitate to contact us.

User Agreement:

You, the buyer may use them on more than one computer provided all systems are your own. You may not re-distribute or give this software to others. We try to be relaxed and our tools have no licensing hassles so this is an honor system; please respect our effort and tell your friends to go to seimeffects.com.

Updating to the Latest Tools:

If you're upgrading from a previous version your new download will contain all current effects. Remove the entire folder of the old version and replace it with the latest version.

Enjoy and contact us here you want to reach out - effects@seimstudios.com, 509-754-5255
